

South Newton Athlete and Parents,

Hope everyone has had a great summer. I'm glad to report that attendance this past summer by athletes in all sports was the best I can remember. It has been a very productive summer and I'm looking forward to a successful year in the classroom and the playing fields for our student athletes in 2013-14.

With practice starting August 5th for all sports I have a couple of reminders for everyone. All athletes must have a physical completed and signed by a Doctor. The physical must be done on the IHSAA form or it will not be accepted. You can pick these forms up in the high school office. If you had a physical done last spring it must have been done on or after April 1st for it to be good for the 2013-14 school year. Second, all athletes and parents will again be asked to sign a concussion awareness form to be eligible to participate. And lastly, all incoming freshmen and juniors will do ImPact testing with Dr. Moss.

I'm excited about the hard work our athletes have put in this summer. It should be a great year for these young men and women who represent South Newton.

Yours in Sport,

Chris Bell C.A.A.

Athletic Director
