- **Friday, October 21st and Monday, October 24th**—Fall Break—No School
- **Friday, November 4th**—Rescheduled Field Trip to Indiana Dunes State Park

Pizza Hut Book It Program

We are going to participate in the Pizza Hut Book It program again this year. A reading calendar was sent home earlier this week. Students need to read 20 minutes for 20 days for the month of October to earn a free personal pan pizza at Pizza Hut. Fill in each day read and bring the calendar back on November 1st.

Sew, are you ready ... to make our Pillows?

A note went home last week explaining the details.

We will be making pillows Wednesday, October 19. We will start at **9 am** and sew throughout the day. We will have to be finished up by 2:00 for our ISSB lessons.

We need adult volunteers to come and help. You may come anytime throughout the day, we would prefer the most help in the morning.

No sewing experience required. You would help by threading needles, making knots, and encouraging students.

Each child needs to bring in: **1/2 yard of material, a spool of thread, a needle, and some poly-fill stuffing.**

Parent-Teacher Conferences

Please turn in your Parent Teacher Conference Slip confirming your time. We are missing several slips. We are working hard to confirm our schedule so that we can see all of you.

It is important for teachers and parents to connect and talk about a student's academics and behavior. We want to make each child's educational life as successful as possible, and we appreciate your help and support.
