## Principal News: Mrs. Mulligan

We have entered the testing season. Our students are currently testing in reading, language arts, math, and science through NWEA. In two weeks, we will start our ISTEP testing. We will start on Tuesday, February 27 and finish Friday March 1. We always ask parents to carefully schedule appointments around these dates as students typically perform better when they test with the group. Testing is a hot topic in our state, and you may have heard that ISTEP is going away. It is true that we will be giving our last round of ISTEP in April/May. Next year, we will have a new test, ILEARN, that promises to be much shorter. Students will only have to take this test once at the end of the year and results will be available within 12 days. We shall see! We would welcome such changes!

Remember that school will NOT be in session Monday, February 19. Have a great weekend!

### Middle School Art Club members!

Food items must be turned in on Friday the 23rd and you need to arrive **10 minutes early** for your shift on the 24th.

Congratulations to our  
Spelling Bee Champion:

Autumn Blacklidge

### SN Art Club Creative Day

Feb 24th- Is our Spring Creative Day, please consider coming to be creative around other creative people from our community, from Sewing to Scrapbooking to sculpting, everyone is welcome. Contact Jenn Weaver if you would like more info or find us on Facebook.

### Purdue Extension Strengthening Families Program

Purdue Extension is offering the Strengthening Families Program for Families with youth between the ages of 10-14 years old. The program focuses on family skills taught in group sessions to increase family strengths. The program builds on improving family relationships, parenting skills, and improving youth's social and life skills. Meetings will take place at the Brook United Methodist Church on Monday evenings from 5:30-8:00 p.m. starting March 5th. For more information or to sign up, contact Deb Arseneau at [arseneau@purdue.edu](mailto:arseneau@purdue.edu) or 219-285-8620, x2800.
