## Principal News: Mrs. Mulligan

The second round of ISTEP testing started this week! We have had an unusually high percentage of absences during this testing. Please do all you can to have your child in attendance next week as we will be testing every day, usually through the morning. If your child is truly sick, we want them to stay home and get better. Otherwise, please be sure that your child arrives to school on time and that all appointments are scheduled so as not to conflict with testing. Our “make-up” schedule is becoming so full that we worry about getting them all finished in time. If you need additional information on the testing schedule, please call or email the office and we can provide more specifics.

**NJHS Induction Ceremony**  
**Wednesday, April 26th**  
**6:00pm**  
**SNHS Auditorium**  
Students are to be seated on stage by **5:50pm.**
