 Incomplete  Working on  Complete [return home](#)

The Registration Screen lists each form required by your school. An icon to the right of the form title shows the status of the form. Orange means incomplete. Green means that you are working on the form and a blue checkmark means that you have completed the form. Click on the form link to open the form. Read and complete the information.

 Incomplete  Working on  Complete

NOTE: By typing your name in the signature section you are signing this form.

Name:

Date:

At the bottom of each form you must “sign” the form. Enter your name and date and then click “Submit” to complete the form. If you wish to print a copy for your records you can do that by going to File > Print from your browser. **Do this before you click the submit button.**

Health History

When each form title has the blue checkmark, you have completed the registration process. It is not required that you complete all of the forms in a single session. You may return and complete the forms at any time.
