### Principal News: Mrs. Mulligan

All South Newton Middle School parents are invited to attend a very important meeting presented by Sergeant Terry Hall, a retired veteran of the Indianapolis Police Force. Sergeant Hall spent seven years in the IPD Sex Offense Branch and was the former director of the "Good Touch-Bad Touch" program for the prevention of child abuse and neglect. This meeting will take place at the South Newton Auditorium on September 20th at 6:30 PM and will provide information about the program he will deliver to all middle school students the following day. This student program will be on September 21 at 10:00 a.m. If you have any concerns about your child participating in this program, please contact the middle school office to discuss. This program is made possible by the Newton County Step Ahead through a grant from Jefferson and Washington Township and the Newton County Child Protection Team.

Rebel Rescue starts Tuesday. All students and parents were notified by letter and email. This program is a mandatory measure to help students get the time and support they need academically.
